## Raise Your Vibration

At LDF it is our mission to embrace programs that focus on social inequalities, children & families, environment & sustainability, and community enhancement. And we are so pleased to announce that you can be involved by partnering with us in our enrichment programs. What does that mean? It means we are accepting donations directly on our website. Woohoo! Further, 100% of your contribution will be poured into the heart of the programs that we collaborate with; these projects and organizations that we fund each year, which add a meaningful, and positive vibration into the lives of our neighbors. To become a collaborator, and be a part of our change, visit [Donate | Lincoln Dynamic Foundation](#) and fund today.

# Annual Grant Spotlight: Fall in Love with our Adventure Scouts

What a year it has been for the Adventure Scouts, a new pilot program proudly funded in part by our foundation, and partnered with the Collaboration Center, Boys Town Nevada, Foster Kinship, and the Las Vegas Area Council Boys Scouts of America. This program is the first of its kind, providing an integrated scouting experience for children and youth with intellectual and developmental disabilities (IDD). Children and youth with IDD wanted to fully participate in the Scouting experience like their neurotypical peers, but in the past were too often excluded from participating fully in such a program. And even though organizations such as the Boys Scouts of America and Girl Scouts of the USA have great policies and training programs in place that support inclusion of children and youth with IDD, the truth is there exists many barriers to the full integration and active participation for Scouts with IDD.

And so, the Adventure Scouts, led by Kelly Harrington, were born in 2023. This initiative is such a remarkable collaborative creation, and we are beyond stoked to support the continued growth of this agency. Check out our Scouts below, troop # 756.
